Etwall Eagles Club Championships

The Etwall Eagles' Club Championships will be held at the Alfreton Leisure Centre on Sunday 7th October 2018. Swimmers 9 & over (age on 31/12/18) can enter up to 6 events over the 2 main sessions and swimmers aged 8 & under have the opportunity to enter 3 x 25m events. The Club Championships is only open to members of Etwall Eagles Swimming Club, and there is no restriction on age or ability. We actively encourage our new members to have a go! For 25m and 50m events there will be heats and finals (apart from 25 yrs & over). 100m & 200m events are all Heat Declared Winners

The Club Championship is a wonderful way for any swimmer to show friends and family their skills, the improvement achieved from hard work in training. Moreover, it is the ideal opportunity to experience and enjoy swimming as an individual, in a competitive event within the supportive and inclusive Etwall Eagles' community.

Yes, sometimes poolside can be **loud**, but only because parents and swimmers love cheering all the competitors and watching some of the experienced club champions create quite a spectacle!

All members who swim in the Club Championships will be eligible for a free ticket to the Presentation Party Night in January 2019. Please make sure that you enter by **Saturday 1st September** to take part and celebrate all that is great about swimming at Etwall Eagles!

For further information, please see the Club Championships Information and Rules sheets on the notice board or email clubchamps@etwalleagles.co.uk Swimmers are also advised to speak to the Coaching Team regarding which events they should enter.
