

SWIMMING NOTES

When presenting the Joseph Buckle Memorial Trophy to the Chippenham club on Saturday evening, Mr A. Staples, the county president, said he was very proud to be presenting it to Mr Joseph Buckle's home team.

The contest was one of the most exciting seen at Monkton Park this season.

Chippenham were unfortunately to have been disqualified in three races. But the team refused to be beaten, displayed one hundred per cent effort, and finally came out on top.

Result: Chippenham 152 points, Marlborough 148, Swindon Dolphins 126.

Club members then paraded their trophy on a lap of honour, after which one kind gentleman filled the Cup and everyone celebrated the victory.

Congratulations to all team members on their efforts, Chippenham should be proud of them.

More honours came our way when Alan Benest became county champion over 440 yards freestyle. Well done Alan.

On Tuesday last week at Devizes the county life saving competition was very closely contested. With five teams from Chippenham, we gave a good account of ourselves.
