Additional information:

When setting up standing orders for training please do this for **each** swimmer and for **each** activity. While this may take a little extra time it will significantly assist the volunteer who has to reconcile the payments at the end of every month. It also allows training payments to be linked to the specific swimmer on their Swim Club Manager account.

Please set payments prior to the 15th of the month

Should you have any questions please contact fiona.conway@ltsc.org.uk
