- Medals are presented for the top 3 places in each event, in each age group.
- NSC Trophies will be awarded to the top placed swimmer in each age group. Places are determined via a points system for each event entered. To maximise your chance of coming top in your age group you need to enter as many events as possible (4 events if you are 8 or under and 5 events if you are 9 or over). Swimmers must remember that under ASA rules there are many disqualification (DQ) codes around starts, turns, finishes and stroke. A DQ will mean no time or points for that event.
